

By Human

By AI

Difference between AI written and Human written answer:

Aspect	Human-Written Content	AI-Written Content
Language style	Natural, informal, sometimes inconsistent	Structured, formal, and well-organized
Grammar	May contain small grammar or spelling mistakes	Usually grammatically correct
Flow of ideas	Can be uneven or emotional	Logical and smooth flow
Vocabulary	Simple, everyday words	More advanced and varied vocabulary
Sentence structure	Mixed, sometimes short or incomplete	Balanced and well-formed sentences
Creativity	Based on personal thinking or experience	Based on patterns and data
Consistency	May repeat ideas or miss points	Highly consistent and focused
Tone	Personal and subjective	Neutral and objective
